Abstract Submission

Abstract submission deadline: **18 October 2018, 5pm CET**

Only registered participants are eligible to submit an abstract. Please register online.

We only accept online abstract submissions. Please follow this link to access the registration page, in which you will be able to submit your abstract.
<https://www.cnio.es/eventos/index.asp?ev=3&cev=168>

IMPORTANT: you should include your session preference in “**Other information**” field at the end of the online abstract sheet. Please use the following choices:

- **Science Education Initiatives (Iniciativas de Educación Científica)**
- **Citizen Science and Public Engagement Initiatives (Iniciativas de Ciencia y Participación Ciudadana)**

Please keep in mind that projects should be concrete initiatives and should focus on the science and the impact on society.

When submitting your abstract you can also apply for an oral or poster presentation. A selection process will take place and we will inform you whether your abstract will be selected for short talk or poster presentation.

- **Accepted for oral presentation:** 8 minutes talk plus 2 minutes for questions.
- **Accepted for Poster Discussion:** Presentation will take place during the poster session.

The presenters of accepted abstracts will receive notification and further instructions by 24th of October 2018.
